SCHEDULE C

GRIEVANCE PROCEDURE

A. Statement of Purpose

An employee is encouraged to resolve his grievance through informal discussion between the relevant parties at the lowest possible levels. If the formal grievance procedure is initiated, it shall not be mandatory to continue through all of its stages if satisfactory resolution is achieved at lower levels.

B. Definition of Terms

1. Grievance: A grievance shall mean a complaint by an employee that there has been as to him a misinterpretation, misapplication or violation of any of the provisions of the contract (to which this grievance procedure is annexed) or of any policy or administrative decision.

2. Employee: Said term shall include any regularly employed individual, whether full or part time, receiving compensation from the board. It shall not include non-contractual employees such as substitutes or tutors, nor shall it include, in their capacity as such, employees of collateral ventures of the board such as the summer school or the Livingston Student Development Program.

3. Exclusions: However, the term "grievance" shall not apply to any matter for which (1) a method of review is prescribed by law or State Board Rule; or wherein (2) The Board of Education is without authority to act; or wherein (3) a complaint relates to the non-renewal

SCHEDULE C (cont.)

or termination or notice of a non-tenure employee's contract

C. General Principles

1. No employee participating in the grievance procedure herein outlined, whether as a party or a representative, shall be subject to coercion, restraint, discrimination or reprisal in his employment by reason of such participation.
2. Except at Stage III, all discussions, meetings and conferences shall, insofar as practicable, be conducted during normal daytime hours and without undue interference with the parties' regular duties, and maximum efforts shall be made to avoid involvement of students in any phase of the grievance procedure. It is to be expected that Stage III proceedings will ordinarily be conducted in the evening at executive sessions of the Board of Education.
3. The aggrieved employee shall have the right to be represented at all stages of the procedure, by himself, by an appropriate officer or designee of his employee unit, and/or by counsel. When an employee will be represented, written notice must be given three (?) days in advance.
4. Stipulated times provided for herein are intended as outer limits to be strictly adhered to, except in cases of closing of school or extenuating circumstances such as illness or personal emergency, in which events the aggrieved party and his superior at the then pending stage of the grievance shall mutually agree to appropriate extensions of time.
5. This policy generally provides for three stages of procedure, and in the case of most employees it will operate at all stages.

SCHEDULE C (Cont.)

However, in the instance of some employees and by reason of their position within the organizational scheme prevailing in this district, Stage I in the procedure may be eliminated. If such is the case, the employee shall commence his grievance at the stage determined by the position of his immediate superior, and he shall follow the procedure therefor as outlined herein.

6. This grievance procedure and the administration hereof shall, in all respects, comply with the laws and statutes of the State of New Jersey and with the Rules and Regulations of the State Board of Education, and to the extent that any provision of this procedure or the administration hereof in any given case conflicts with any said law, statute, rule or regulation, then the conflicting portion of this policy or the administration thereof in the particular case shall be null and void.

7. Determinations at the Stage II level may be made by an Assistant Superintendent or an Assistant Secretary-Assistant Business Administrator provided both the aggrieved and the Superintendent or the Secretary-Business Administrator (as the case may be) mutually agree in advance to accept a hearing and determination by such an Assistant.

D. Stage I

An employee having a grievance shall present it in the first instance to his immediate superior within 60 calendar days after the occurrence of the event or events giving rise to the same. The presentation may be oral; however, the immediate superior shall be specifically advised that the employee is invoking the formal pro-

SCHEDULE C (cont.)

cedure provided for herein. The employee and the immediate superior shall attempt to resolve the grievance promptly, and in any event, the immediate superior shall advise the aggrieved of his determination within 5 working days from the date of the original presentation of the grievance. The said advice may be given either orally or in writing in the discretion of the Stage I superior.

E. Stage II

In the event that the aggrieved is not satisfied with the determination arrived at in Stage I, he shall file a written petition with the Superintendent of Schools or with the Secretary-Business Administrator in the case of those employees within the jurisdiction of his office. This petition shall be filed within 15 working days from the receipt of notice of the determination arrived at in Stage I, and he shall deliver a copy of his petition to the administrator who made the determination at the Stage I level. Failure to petition within the said 15 working days shall be deemed to constitute an abandonment of the grievance and an assent to the Stage I determination.

The petition to be filed shall contain at least the following:

A. A brief description of the grievance and the essential facts relating thereto, including an identification of the provisions of the contract, board policy, or administrative decision which it is alleged have been misinterpreted, misapplied or violated.

B. The dates upon which the aggrieved first commenced Stage I proceedings and received notice of the Stage I determination.

C. The aggrieved's understanding of the Stage I determination.

SCHEDULE C (cont.)

D. A description of the action requested to be taken or of the relief requested to be granted by the Superintendent or the Secretary-Business Administrator (as the case may be).

E. The signature of the aggrieved, which signature shall constitute a representation that the petition's contents are accurate and that it is filed in good faith for the purposes stated therein.

Upon receipt of the petition, the Superintendent or the Secretary-Business Administrator (as the case may be) shall direct the administrator making the Stage I determination to submit a written response to the petition setting forth his understanding of the following:

A. The nature of the grievance and the essential facts relating thereto and the provisions of the contract, board policy, or administrative decision which are alleged to be involved.

B. The dates upon which the Stage I proceeding was commenced and then determined.

C. The determination made at Stage I and the reasons therefor.

D. The signature of the Stage I superior, which signature shall constitute a representation that the determination made by him was arrived at after hearing all pertinent statements in the matter.

Both the petition and the Stage I supervisor's answer thereto shall be made available to the parties concerned.

Utilizing the petition and the Stage I supervisor's answer and all other information and date, the Superintendent or the Secretary-Business Administrator shall then proceed to determine the matter, and he shall advise the parties of his determination within 15 working days from the date upon which the petition was first filed with him. His determination may be in either written or oral form.

SCHEDULE C (cont.)

F. Stage III

In the event that the aggrieved is not satisfied with the determination arrived at in Stage II, he shall file a petition to the board within 10 working days from the receipt of notification of the Stage II determination, and he shall forthwith deliver a copy thereof to the Secretary of the board. Failure to file a petition to the board within the said 10 working days shall be deemed to constitute an abandonment of the grievance and an assent to the Stage II determination.

The board petition to be filed with the Board Secretary shall contain at least the following:

- A. An incorporation by reference of the Stage II petition and answer, copies of which shall be delivered to the Board Secretary.
- B. The date upon which the aggrieved was informed of the Stage II determination.
- C. Any additional matters not otherwise set forth in the Stage II petition which the aggrieved wishes to call to the attention of the board.
- D. A description of the action requested to be taken or the relief requested to be granted by or from the board.
- E. The signature of the aggrieved, which signature shall constitute a certification as hereinabove provided for.

Promptly after the filing of the board petition, the Superintendent or the Secretary-Business Administrator (as the case may be) shall prepare a full and complete written report of his findings and determination made at the Stage II level, if one has not been previously prepared and he

SCHEDULE C (cont.)

shall file the same with the board and deliver a copy thereof to the aggrieved.

Thereafter, the board shall proceed to hear the matter as promptly as possible. The hearing shall be based upon the filed documents aforementioned unless the aggrieved or the Stage II administrator requests the board to schedule a hearing date for the presentation of other matters in which event the board shall do so. The board shall then render its determination of the issue or issues presented by the grievance within 30 calendar days from the date of the filing of all papers or, in the case of a scheduled hearing, within 30 calendar days from the conclusion of the hearing. The board's determination may be rendered orally or in writing. However, if the same is rendered orally, it shall be in the presence of the parties and an accurate summary thereof shall be made available.
